# SHOPPERS DRUG MART CELEBRATED FOR HONOURING WOMEN, SENIORS

SCARBOROUGH – **Shoppers Drug Mart** is making a big difference in our diverse and aging population, and for this, the Yee Hong Community Wellness Foundation celebrates Shoppers for their support of women and seniors. Not only is Shoppers charitable in giving back to community, they share our values of serving our diverse communities in a culturally and linguistically appropriate manner helping seniors stay well and live the healthiest, most independent and dignified lives.

Shoppers is improving the quality of life of our communities in many ways. Today, we celebrate Shoppers for being the single largest corporate donor for the **Unconditional Love Quilt**, donating \$100,000 to honour women and help Yee Hong achieve our \$2.5 million fundraising goal.

Also, since 1994, **Shoppers HomeHealthCare** has generously donated equipment such as wheelchairs and other products to our Yee Hong Centres.

**Shoppers** also shares Yee Hong's values of serving our ethnically diverse population, and have made **HealthWATCH** available in Chinese to ensure safe administration of prescriptions.

"As corporate citizens who have benefited by serving these communities, we could do no less."

The striking 7.5' high and 15' wide **Unconditional Love Quilt**, is handcrafted from the finest silk and is on permanent display at the Yee Hong Centre - Scarborough Finch. The Quilt was fittingly unveiled on Mother's Day and stands as a testament to the unheralded, everyday heroics of women for the betterment of their families and community.

Established in October 1994, Yee Hong is changing people's perceptions of nursing homes with our wide range of high quality and culturally appropriate senior services. The Yee Hong Community Wellness Foundation is a charitable organization that raises necessary funds to support the facilities, services and programs of the four centres in Scarborough, Markham and Mississauga.
