### **Celebration Wall Unveiling at Yee Hong Centres in Scarborough**

SCARBOROUGH – In celebration of the Mid-Autumn Festival, the new Celebration Walls were unveiled at both Yee Hong Centres in Scarborough today. Dr. Joseph Wong, Founder and Chair of Yee Hong Community Wellness Foundation, Executive Directors of the Centres, as well as donors were present for the unveiling.

The celebration included speeches by Dr. Wong and several supporters. “Respect for seniors is a distinct Chinese tradition, but it should also be everyone’s responsibility,” said Dr. Wong. “Great thanks to those who donate towards the Celebration Wall, and hope people will support our “Best Care Campaign”, a six-week campaign which was launched on September 6, and help us continue our best care for seniors.”

Celebration Wall is an ideal place to commemorate special dates such as birthdays, anniversaries, grand openings and other achievements. For a one-time donation of \$1,000 or more, the name to be honoured and the occasion/event will be recognized in either Chinese or English on the new Celebration Wall at the Yee Hong Centre of the donor’s choice. Donations will be used to support Yee Hong to continue delivering high quality, comprehensive, and culturally appropriate services to thousands of seniors and their families in the Greater Toronto Area.

Established in October 1994, Yee Hong is changing people’s perceptions of nursing homes with our wide range of high quality and culturally appropriate senior services. The Yee Hong Community Wellness Foundation is a charitable organization that raises necessary funds to support the facilities, services and programs of the four centres in Scarborough, Markham and Mississauga.
