**Yee Hong Community Wellness Foundation Salutes
Local Shoppers Drug Mart customers and Employees**

MISSISSAUGA – With thanks to the generosity of Shoppers Drug Mart customers and employees at #711 (Bristol & Mavis) and #905 (Huronario & Burnhamthorpe) locations, Yee Hong Community Wellness Foundation today received a cheque in an amount of \$1418.74 in support of improving the quality of life in this community for those who depend on our services.

For the past month, Shoppers Drug Mart customers and employees have been participating in the cross-Canada Tree of Life fundraising campaign to raise fund here in Mississauga for the Yee Hong Community Wellness Foundation.

“As a representative of Yee Hong Community Wellness Foundation, we depend on volunteer and fundraising efforts in this community to assist us in continuing to serve our clients’ needs,” said Pam Collett, Manager of Fundraising & Events. “Best Care is our vision. Our new annual Best Care campaign encourages individuals, businesses and communities to take an active part in the care of seniors through volunteering and financial support.”

“These results are incredible and a true testament to the generosity of our customers and staff,” said Linda Arone (Store Owner, Bristol & Mavis). “Shoppers Drug Mart has always been active in our local communities. This year we are pleased that we were able to support Yee Hong through our Tree of Life campaign. We thank our customers and staff for taking this initiative to heart and really making a difference.”

Established in October 1994, Yee Hong is changing people’s perceptions of nursing homes with our wide range of high quality and culturally appropriate senior services. The Yee Hong Community Wellness Foundation is a charitable organization that raises necessary funds to support the facilities, services and programs of the four centres in Scarborough (two), Markham and Mississauga.
